We believe that true luxury is not just about opulence and extravagance but also about creating a sense of comfort, ease and familiarity. That's why our properties are infused with a touch of homeliness and service that speaks of friendliness. Relish the ultimate hospitality with intimate and tranquil spaces carefully thought off and curated for any occasion or adventure that you look for.

The story goes back to being the brainchild of creative connoisseur and Interior Designer, Suresh D'souza, when he manifested Souzagad by the River as the D'souza family's personal abode – a home away from the hustle and bustle of the city, completely disconnected from the real world, but equally connected to nature. Designed with utmost serenity, privacy and luxury in mind, we offer you to truly 'live the experience' which can be cherished as memories for eons to come.
